

SINCE 1907

To All Members of Herefordshire Centre

At the West Central Regional Council meeting on 9<sup>th</sup> November 2019 we discussed the unfortunate situation facing your Herefordshire Centre and the decision taken at the Annual General Meeting to go into hibernation.

We understand that only a small percentage of your circa 500 members who are registered with Centre attended the meeting.

Accordingly it was discussed and agreed at the regional meeting that the Worcestershire centre will very much welcome your application to join their centre - either temporarily or permanently - in order to enable you to maintain your rallying activities.

We sincerely hope this offer will ease the current situation and enable you to continue rallying.

If you wish to take up the offer please contact Dave Hall by emailing [secretary@worcestershirecentre.co.uk](mailto:secretary@worcestershirecentre.co.uk)

Yours sincerely

Terry Denslow

West Central Regional Group Chairman 2019-2020.
